

**CITY OF DANA POINT  
MEMBER OF THE CITY COUNCIL**

**DIANE L. HARKEY**

**AGE: 53**

**OCCUPATION:** Businesswoman

I will open the doors to City Hall so your voice can be heard. My community involvement, business experience and education will enable me to deal with the new opportunities as well as the challenges presented by proposed development in the Headlands, harbor and downtown areas. I will work to provide new solutions to crime, traffic, variances to the building code, and other issues affecting our quality of life and our neighborhoods. For that reason I will not accept or be influenced by Special Interest campaign contributors that have a vested interest in the city of Dana Point. I will work to represent you, the people of Dana Point.

I am a 25 year resident of Dana Point with extensive community and business experience. I retired from a 22 year banking career, as a Vice President Senior Lender in 2001. I have been a wife, mother, working mom and successful businesswoman. I have lived in all 3 areas of our city: Capistrano Beach, Dana Point proper, and Monarch Beach. I have an Economics degree and a background in finance, corporate and real estate lending. On November 2nd please vote Diane Harkey for Dana Point City Council.
